Cloondorney Loop

GRADE:

Moderate – Trail may have some climbs and may have an uneven surface where the going is rough underfoot with some obstacles. Suitable for people with a moderate level of fitness and some walking experience. Sturdy hiking boots, warm and waterproof clothing, fluid, sun protection, snack and mobile phone are recommended.

ESTIMATED TIME TO COMPLETE: 1 - 1.5 hours

WAY-MARKING: Yellow arrow on black background

DESCRIPTION:

Walk down the main street past the Courthouse and turn right at the bottom of the hill. After a short distance turn right again following a low grade road. This walk is mostly on flat surface and takes you through quiet countryside, forestry and bogland. Continue on this road until you reach "Nashe's Cross" and turn left following the sign for Cloondorney Lake. This road will bring you along the shores of Cloondorney Lake which is 40 acres in area and holds most species of coarse fish but is especially noted for its excellent Rudd fishing and has good Bream fishing. At the next junction (before you reach the main road) take a sharp left which brings you along a bog road for approximately 1km. At the next junction, take a right and continue along the original route back to Tulla.

This walking trail has been developed with kind assistance of local landowners and organisations. Please respect these landowners, their fencing and their livestock, by parking in designated areas only and staying on the official trail.

It is understood that if persons enter private land they do so by permission and with the consent of the landowners and no matter how often they enter, or in what numbers, they do not do so as of any right.

Principles

- Plan Ahead and Prepare
- Be Considerate of Others
- Respect Farm Animals and Wildlife
- Travel and Camp on Durable Ground
- Leave What You Find
- Dispose of Waste Properly
- Minimise the Effects of Fire

Practising a Leave No Trace ethic is very simple. Make it hard for others to see or hear you and LEAVE NO TRACE or your visit
